Re: Records Request Received September 20, 2018

Dear Ms. Lipton:

On September 20, 2018, the Alaska Department of Corrections (DOC) received your request for public records seeking:

- All policies related to the employment and payment of incarcerated persons under the jurisdiction of this agency.
- The most recent report regarding currently employed incarcerated persons under the jurisdiction of this agency. Please include all available segregable information, including the type of employment, the wage at which the employment occurs, and any other applicable information. Please do not include any personally identifying information.
- All reports regarding post-incarceration employment for individuals formally under the jurisdiction of this agency.

The Alaska Department of Corrections has attached all policies related to the employment and payment of incarcerated persons to this response letter. The Department does not possess any reports regarding this matter, to include type, wage, or post-incarceration employment.

Because DOC is not providing all of the requested, under AS 40.25.120(a), this response constitutes a denial. *See* 2 AAC 96.335(a). You may administratively appeal by complying with 2 AAC 96.340. An administrative appeal requires no appeal bond. Also, you may seek immediate judicial review by pursuing an injunction from the superior court under AS 40.25.125. Not pursuing an injunction will not adversely affect your rights before DOC, including in administratively appealing the denial. I have been delegated the authority to deny Alaska Public Records Act requests. Enclosed are 2 AAC 96.335 – 2 AAC 96.350.

If you have any questions, please contact me at 907-269-5037 or sarah.gallagher@alaska.gov.

Sincerely,

Sarah Gallagher
